

OPIATE ABUSE & ADDICTION

A free workshop for Lake County's law enforcement officers, EMTs, firefighters, and other first responders presented by the Lake County Opiate Task Force.

Tues, May 17 • 8:30-10:30 a.m. • TriPoint Medical Center (Auburn Rd. just off Rte. 44, Concord Twp) • Lubrizol Conference Room

WHO SHOULD ATTEND: WHY ATTEND:

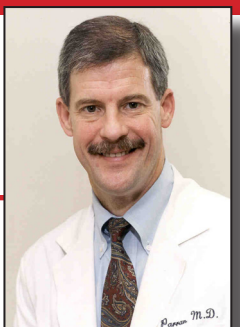

- *Law enforcement officers*
- *Fire fighters*
- *EMTs*
- *Police and fire chiefs*
- *Police and fire chaplains*
- *Hospital security officers*
- *Court bailiffs*
- *Probation officers*

- As a first responder you deal with the end-result of opiate abuse and addiction. This workshop will arm you to be better prepared, safer, and more effective when those situations occur.
- *Learn more about the types of opiates being commonly abused, where they're coming from, and how they're being accessed.*
 - *Learn about how legal prescription drugs are getting into the wrong hands and being used for the wrong reasons.*
 - *Learn how to recognize signs & symptoms when you encounter them on the job...and how to respond safely and effectively when you do.*
 - *Learn about community intervention and treatment resources you can access.*

This workshop is endorsed by the Lake County Police Chiefs Association

Workshop facilitator Dr. Ted Parran is an expert, author, and sought-after speaker on substance abuse, addiction and treatment. Dr. Parran is certified by the American Society on Addiction Medicine. He established the Addiction Fellowship Program at CWRU School of Medicine in 1994 and teaches on the Addiction Psychiatry Fellowship faculty.
